WELCOME TO OUR ADJUDICATORS

DON JORDAN

Don Jordan is a native Montrealer whose career has spanned, to date, an incredible 60 years. He first began dancing on stages at the tender age of 4 with his musician/dancer father. His love of dance catapulted him to be the first Afro-Canadian to be featured as lead dancer on the weekly teen television show “Like Young” on C.F.C.F TV at the age of 15, where the dancers free styled and then performed choreographed routines by different choreographers for a total of 6 years.

Don studied many facets of dance: classical ballet, modern, tap, African dance, and various styles of jazz. He continued to perform on stages and television throughout Canada, the U.S., the Caribbean, and beyond. In 1978 he opened his own school, The Dance Factory, with partner Phillip Cole and taught there for 16 years before closing the school and focusing on his personal career—choreographing, dancing, singing, and acting on stage and in film—all the while continuing to teach.

He was artistic director of the Black Theatre Workshop for 3 years, has performed as a singer for many years, and lent his dulcet tones on 3 occasions at the Montreal International Jazz Festival. He became the first black president of Actra, where he served in that role for 9 years.

He has choreographed countless stage shows, theatre musicals, television commercials and specials, and feature films.

Don has been a quintuple threat for the majority of his vast career as a dancer, choreographer, actor, singer, and teacher, and has been the recipient of numerous awards. In 2010 he was honoured by the city of Montreal and the Round Table of Black History Month for his contribution to the arts. In 2016 the Meta Award for outstanding performance in *Adventures of A Black Girl in Search of God*. In 2018 the Martin Luther King Jr Award by the Black Theatre Workshop for his contributions to the arts in Canada and beyond. In 2018 he received the prestigious Actra Award of Excellence (Association of Canadian Cinema Television and Radio Artists), and in 2022 the Life Membership Award. In 2023 he was bestowed with the Jeraldne Blunden Award by The International Association of Blacks in Dance.

Presently, in preproduction, is a documentary on the life and career of Don Jordan.
